## Facts About Energy Assistance

This help is for people of all ages with varying sources of income.

It does not matter if you own or rent your home.

You should apply for help before you get a past due bill or run out of fuel.

The program will not pay all of your heat or electric costs. You will need to make payments on your monthly bills also.

We can also tell you about other help available and how to save energy.

All information you give us is private.

*Three Rivers Community Action, Inc. provides Energy Assistance to clients living in the counties of Goodhue, Olmsted, Rice, and Wabasha.*
